

UNLOCKING HIDDEN CATEGORIES IN NETFLIX

Netflix has a HUGE amount of content available, which can make searching for the right movie/tv show a daunting task. Netflix has a MASTER LIST of categories and here is how to access that list.

(NOTE: You MUST have a Netflix account to utilize this feature)

1. From your computer, go to: <http://netflixcodes.me/>
2. Scroll through the HUNDREDS of categories and add movies you like to your list of favorites.
