

# USING BIG CLOCK 2

## HOW TO USE BIG CLOCK 2 FOR THE IPAD AND IPHONE

Turn your iPad/iPhone into a HUGE clock that you can easily see from across the room.

1. From the App Store, search for “big clock”

2. Tap on “iDigital Big2 Alarm Clock” to download.

3. Launch **Big Clock2**.

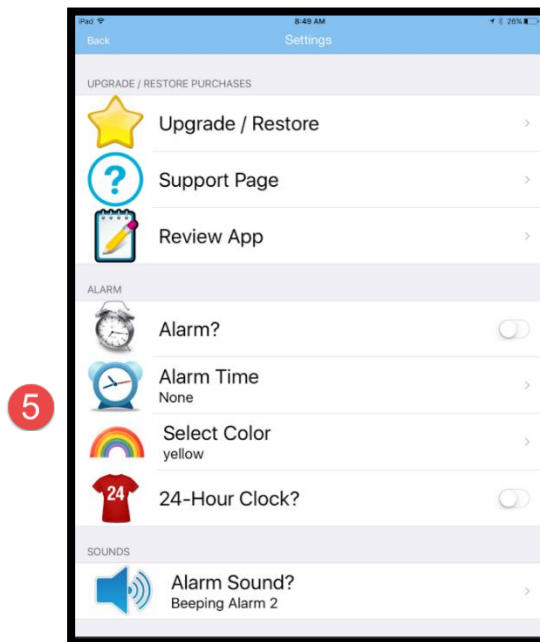

4. Click the **info** button to access the options for Big Clock2.

## USING BIG CLOCK 2

5. From here you can set an alarm, change the color of the clock, etc...

6. Click on **Back** to return to the clock.
