

## HOW TO USE GIANT CLOCK FOR ANDROIDS

Turn your Android phone into a HUGE clock that you can easily see from across the room.

1. From the Google Play Store, search for “**Giant Clock.**”

2. Tap on “**Giant Clock**” to download.

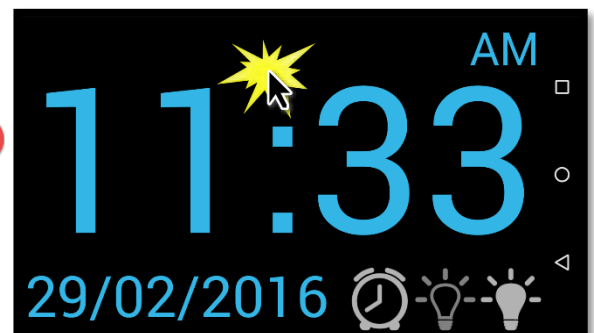

3

3. Launch **Night Clock.**

4. Tap anywhere on the time to access the **Options** menu.

4

5. From the options menu, you can modify:

- Display Color
- Background Image
- 24-hour format
- Date Format
- Screen Lock
