

USING OLD TIME RADIO PLAYER

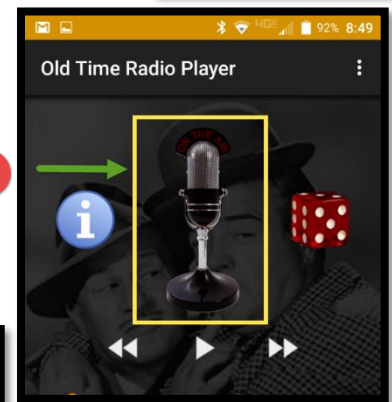

HOW TO USE THE OLD TIME RADIO PLAYER

Venture back to when TV was called “radio.” Revisit the classics from the Golden Age of Radio.

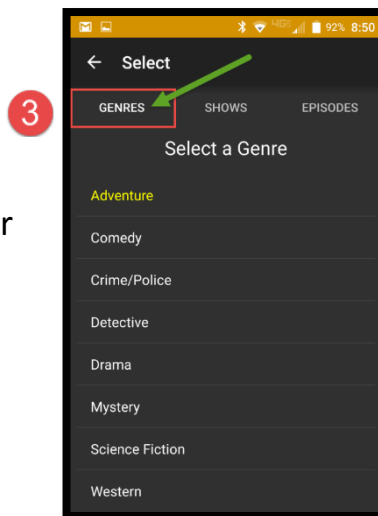

Be sure to download (for free) Old Time Radio Player for your Android device and/or your Kindle Fire device.

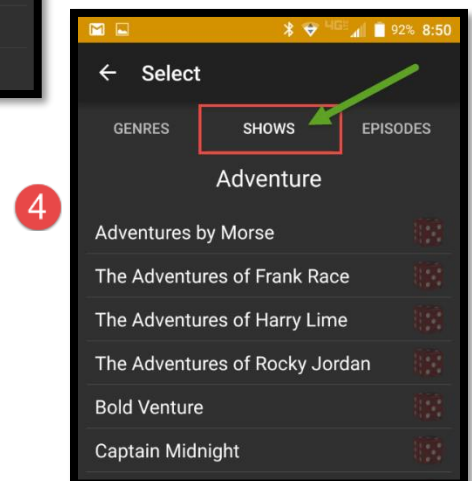

1. Launch **Old Time Radio Player** on your Android or Kindle Fire device.
2. Tap the **Microphone** to access the menus.

3. Tap on **GENRES** and tap your genre of choice.

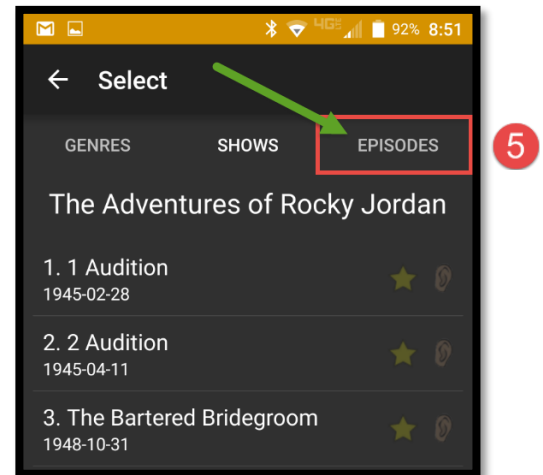

4. Once you select your genre, tap on **SHOWS** and tap the show you wish to listen to.

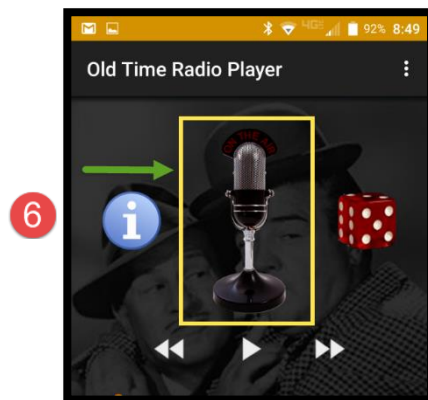

5. Once you tap the show you wish to listen to, tap on **EPISODES** to begin.

NOTE: Use the arrow keys to **REWIND** and/or **FAST FORWARD**. Press the **||** button to **PAUSE**.

6. Tap the **MICROPHONE** to return to the Main Menu.

NOTE: Old Time Radio is available ONLINE on any type of device and can be accessed here:
