ICE v1.1 by Ryan Kotzebue

ENABLE YOUR INFO TO BE SEEN ON A LOCKED SCREEN

Done

1. With your phone unlocked, swipe down from the top of the screen on your iPhone or iPad running iOS 8 or higher.

2. Tap on Today if it isn't already selected.

3. Scroll towards the bottom and tap on Edit.

4. Add the I.C.E. widget by tapping on the green plus icon next to the widget's name.

5. Once added, you can drag the order of the I.C.E. widget to the top of your Today View.

Now your emergency information is accessible even if your phone is locked.
