FACEBOOK TIPS AND TRICKS

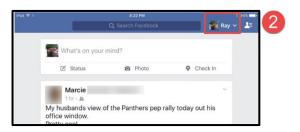

STOP THE AUTO-PLAY ON VIDEOS (FROM YOUR IPAD)

Facebook, as a default option, automatically plays video on Android devices. You can turn this off (or at least choose the options you want) so that you don't use data or see videos playing automatically.

1. Launch Facebook.

2. Tap your profile drop down list.

3. Tap Settings.

4. Tap Videos and Photos.

🐞 General

Security

5. Tap Autoplay.

Never Autoplay Videos

VIDEO SETTINGS Upload HD Autoplay

6. Tap Never Autoplay Videos.
