

SETTING UP AN INSTAGRAM ACCOUNT

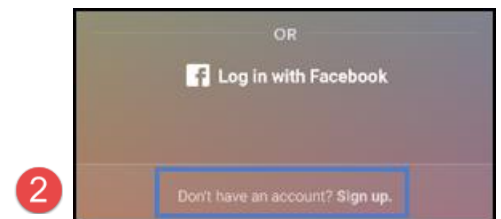

Instagram is a social networking app that allows users to share photos and videos from a smartphone. Users can follow family and friends and view shared photos and videos they have posted. Instagram is an application that can only be installed on a mobile device. It is available in the App Store for Apple devices (iPhones, iPads, iPod Touch) and from Google Play for Android devices (Smart phones, tablets, Kindle devices)

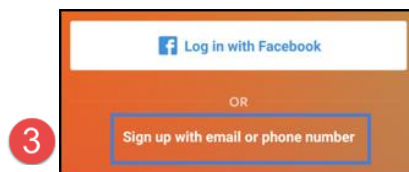

DOWNLOAD INSTAGRAM TO YOUR MOBILE DEVICE

1. Once you have downloaded Instagram to your mobile device, launch the program.

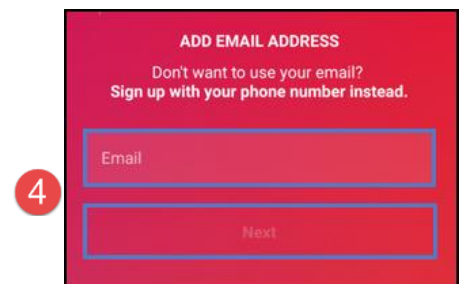

2. To create an account, click on **Don't Have An Account? Sign Up.**

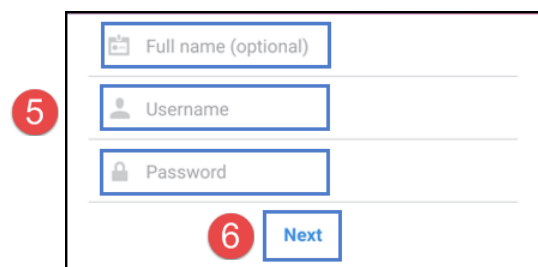

3. Click on **Sign up with email or phone number.**

4. Enter your email address in the **Email** field, then click **Next.**

5. Type your **Full name**, **Username**, and create a **Password.**

6. Click **Next.**

7. Click **Skip** when asked to connect to Facebook.

8. Click **Search** for Instagram to search your contacts to follow.

SETTING UP AN INSTAGRAM ACCOUNT

9. Click **+Follow** of the contacts you wish to follow.

10. Click **Next** in the upper right corner.

11. From the **Explore Topics** area, select a few topics that will help Instagram know what to show you.

12. Click **Next**.

NOTE: You can skip this step, if you want. Click **Skip** in the upper right corner.

13. You have successfully created an Instagram account. Congratulations!
