

SETTING UP A PINTEREST ACCOUNT

Pinterest is a social network that allows users to share ideas and interests by posting (known as “Pinning”) ideas, images, videos to their own boards. Think of it as an electronic Scrapbook-type site. It’s a great way to share and find recipes, discover common interest groups or stay in touch with friends and family.

SIGN UP FOR AN ACCOUNT

1. From your browser, go to <http://www.pinterest.com>
2. Enter your **email** address, and **create a password**, then click the **Sign Up** button.

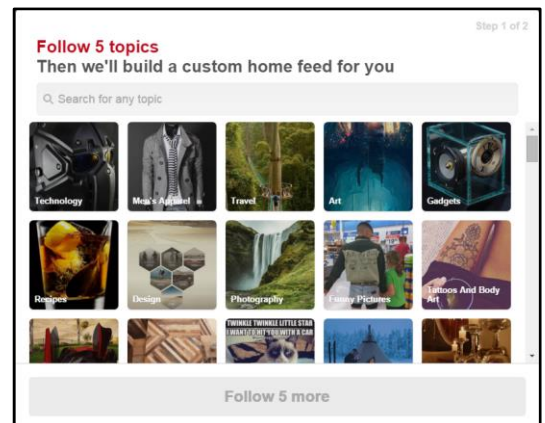

3. Enter your **First** and **Last** name and **Age**, then select your **Gender** (Male or Female) and click the **Come on in** button.

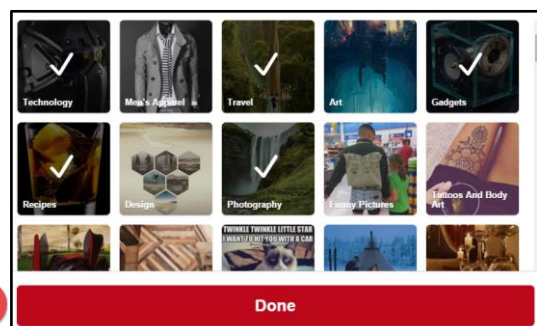

NOTE: You will receive an email from Pinterest asking you to confirm your email address. Make sure you check your inbox for this email.

4. To help you get started, follow 5 topics by clicking on the choices listed (or you can search for a topic) and Pinterest will start building your custom home.

NOTE: You can unfollow these topics later on, if you decide that you are no longer interested in them.

5. Once you have chosen 5 (or more) topics to follow, click on **Done**.

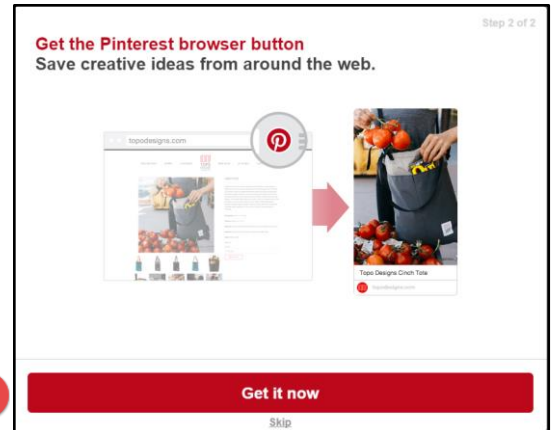

SETTING UP A PINTEREST ACCOUNT

6. If you want to place the Pinterest browser button on your Browser's toolbar, click on **Get it now**.

If users do install the Pinterest Browser button, they will notice the button in the upper right hand corner of their browser.
