

# CONNECT TO RESIDENT WI-FI NETWORK

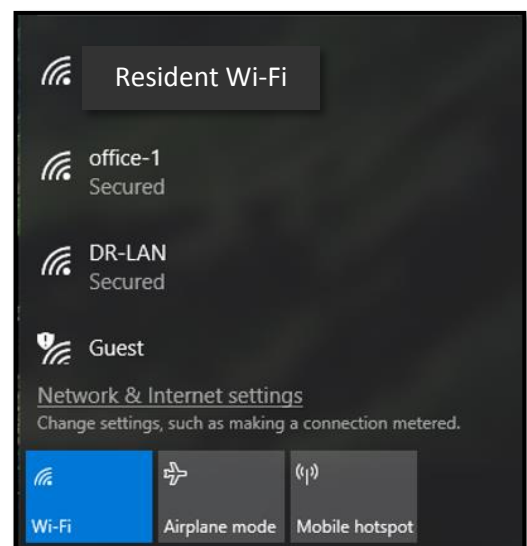

The following documentation will show you how to connect to the Resident Wi-Fi network for a Windows 10 machine.

1. From your *System Tray*, click your **Wi-Fi Network** icon.

2. From the list of available Networks, click **Resident Wi-Fi** to connect.

3. Enter your **Username** and **Password**, then tap **Login**.

A screenshot of a login screen with a dark background. At the top, it says "PLEASE ENTER YOUR USERNAME AND PASSWORD" in white, bold, uppercase letters. Below this are two white input fields: "Username" and "Password". Each field has a small "x" icon on the right side. At the bottom of the screen is a green button with the word "Login" in white.

**NOTE:** If you do not know your Username and/or Password, contact the Inviacom Support Desk at: **1-800-291-4411**
