

The title 'Consumer Confidence Barometer' is centered within a large, white, semi-transparent circular graphic on the left side of the slide. The text is in a bold, dark blue, sans-serif font. A thin blue line extends from the bottom left of the circle towards the bottom left of the slide.The date 'September 2018' is centered within a dark blue circular graphic on the right side of the slide. The text is in a white, sans-serif font. A thin blue line extends from the top right of the circle towards the top right of the slide.

# Consumer Confidence Barometer - Overview

- The UK Consumer Confidence Barometer is conducted by GfK in partnership with the European Commission
- The UK Consumer Confidence Survey was conducted amongst a sample of 2001 individuals aged 16+ in the UK
- Quotas are imposed on age, sex, region and social class to ensure the final sample is representative of the UK population
- Interviewing was carried out during 1<sup>st</sup> – 15<sup>th</sup> September 2018
- The study arrives at the index score by arriving at an average of averages from core questions
- This survey was conducted via a nationally representative online survey, with a yearly telephone survey conducted to calibrate the data

# Consumer Confidence Index

The Index Score is calculated using the results of five questions (1,2,3,4, and 8). The mean score from each of these five questions is combined and the Index Score is the average.
