Commercial Support Agreement & Exhibitor Rules and Regulations

Commercial Support Agreement

The Commercial Supporter agrees to abide by all requirements of the ACCME Standards for Commercial Support of Continuing Medical Education and the ANCC Commission on Accreditation Standards for Commercial Support of Continuing Nursing Education as provided by the Massachusetts Association of Registered Nurses. (Please see below). The Accredited Provider agrees to: (1) abide by the ACCME Standards for Commercial Support of Continuing Medical Education; (2) abide by the ANCC Commission on Accreditation Standards for Commercial Support of Continuing Nursing Education as provided by the Massachusetts Association of Registered Nurses; (3) acknowledge educational support from the commercial company in program materials; (4) upon request, furnish the commercial supporter a report concerning the expenditure of the funds provided.

By participating as a Commercial Supporter at the IHI Patient Safety Congress, the Commercial Supporter agrees to all requirements detailed within this document.

STATEMENT OF PURPOSE: Program is for scientific and educational purposes only and will not promote the company's products, directly or indirectly.

INDEPENDENCE of PROVIDER in THE USE of CONTRIBUTED FUNDS: Funds should be in the form of an educational grant made payable to the Institute for Healthcare Improvement/National Patient Safety Foundation. No other funds from the commercial company will be paid directly to the program director, faculty or others involved in the CE activity.

STANDARDS FOR COMMERCIAL SUPPORT

STANDARD 4. Appropriate Management of Associated Commercial Promotion

4.1 Arrangements for commercial exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.

4.2 Product-promotion material or product-specific advertisement of any type is prohibited in or during CME activities. The juxtaposition of editorial and advertising material on the same products or subjects must be avoided. Live (staffed exhibits, presentations) or enduring (printed or electronic advertisements) promotional activities must be kept separate from CME.

- For print, advertisements and promotional materials will not be interleaved within the pages of the CME content. Advertisements and promotional materials may face the first or last pages of printed CME content as long as these materials are not related to the CME content they face and are not paid for by the commercial supporters of the CME activity.
- For computer based, advertisements and promotional materials will not be visible on the screen at the same time as the CME content and not interleaved between computer 'windows' or screens of the CME content
- For audio and video recording, advertisements and promotional materials will not be included within the CME. There will be no 'commercial breaks.'
- For live, face-to-face CME, advertisements and promotional materials cannot be displayed or distributed in the educational space immediately before, during, or after a CME activity. Providers cannot allow representatives of Commercial Interests to engage in sales or promotional activities while in the space or place of the CME activity.

4.3 Educational materials that are part of a CME activity, such as slides, abstracts and handouts, cannot contain any advertising, trade name or a product-group message.

4.4 Print or electronic information distributed about the non-CME elements of a CME activity that are not directly related to the transfer of education to the learner, such as schedules and content descriptions, may include product promotion material or product-specific advertisement.

4.5 A provider cannot use a commercial interest as the agent providing a CME activity to learners, e.g., distribution of self-study CME activities or arranging for electronic access to CME activities.

STANDARD 5. Content and Format without Commercial Bias

5.1 The content or format of a CME activity or its related materials must promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

5.2 Presentations must give a balanced view of therapeutic options. Use of generic names will contribute to this impartiality. If the CME educational material or content includes trade names, where available trade names from several companies should be used, not just trade names from a single company.

STANDARD 6. Disclosures Relevant to Potential Commercial Bias Relevant financial relationships of those with control over CME content

6.1 An individual must disclose to learners any relevant financial relationship(s), to include the following information:

- The name of the individual;
- The name of the commercial interest(s);
- The nature of the relationship the person has with each commercial interest.

6.2 For an individual with no relevant financial relationship(s), the learners must be informed that no relevant financial relationship(s) exist.

Commercial support for the CME activity

6.3 The source of all support from commercial interests must be disclosed to learners. When commercial support is 'in-kind' the nature of the support must be disclosed to learners.

6.4 "Disclosure" must never include the use of a trade name or a product-group message.

Timing of disclosure

6.5 A provider must disclose the above information to learners prior to the beginning of the educational activity.

Exhibitor Rules and Regulations

These rules and regulations are a bona fide part of the contract for exhibit space with the Institute for Healthcare Improvement hereinafter referred to as IHI, for the Exhibition at the IHI Patient Safety Congress, which is managed by SmithBucklin herein after referred to as Show Management, on behalf of IHI, the Show's owner and sponsor. Show Management reserves the sole right to render all interpretations, amend and enforce these regulations and to establish any and all further regulations not specifically covered below to assure the general success and well-being of the Show. Each exhibitor, for himself, his employees, and his contractors agrees to abide by these regulations and by any amendments or additions hereafter made by Show Management.

Show Management reserves the right to decline, prohibit, deny access or remove any exhibit which in its sole judgment is contrary to the character, objectives, and best interests of the Show or suitable for its attendee audience. This reservation includes, but is not limited to, any violation of any public policy or these rules and regulations and extends to persons, things, printed matter, products, and conduct. IHI reserves the right to refuse applications of concerns not meeting standards required or expected, as well as the right to curtail exhibits or parts of exhibits that reflect against the character of the meeting.

Show Management's decision and interpretation shall be accepted as final in all cases.

By participating as an Exhibitor at the IHI Patient Safety Congress, the Exhibitor agrees to all requirements detailed within this Rules and Regulations document.

1. PAYMENT OF SPACE. Applications submitted prior to January 15, 2019, must be accompanied by a minimum 50% deposit of the total space rental charges (payable in USD drawn on a U.S. bank or by Visa, MasterCard, or American Express). Applications received without such payment will not be processed nor will space assignments be made. The balance of the space rental charge will become due and payable on January 15, 2019. Applications submitted on or after January 15, 2019, must include payment in full.

2. CANCELLATION AND REFUNDS. All requests for cancellation of booth space must be received in writing to ihixhibits@smithbucklin.com. It is expressly agreed by the exhibitor that in the event he fails to pay the space rental charge at the times specified, or fails to comply with any other provisions contained in these rules and regulations concerning his use of exhibit space, Show Management shall have the right to reassign the confirmed booth location or to take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by him for his space reservation, regardless of whether or not Show Management enters into a further lease for the space involved.

In case the exhibition shall not be held for any reason whatsoever, then and thereupon, the rental and lease of space to the exhibitor shall be terminated. In such case the limit claim for damage and/or compensation by the exhibitor shall be the return to the exhibitor of the pro rata amount already paid for space for this specific event.

3. SPACE RENTAL AND ASSIGNMENT OF LOCATION. Whenever possible, space assignments will be made by Show Management in keeping with the preferences as to location requested by the exhibitor. SHOW MANAGEMENT, HOWEVER, RESERVES THE RIGHT TO MAKE THE FINAL DETERMINATION OF ALL SPACE ASSIGNMENTS IN THE BEST INTERESTS OF THE EXHIBITION.

4. USE OF SPACE, SUBLETTING OF SPACE. No exhibitor shall assign, sublet or share the space allotted with another business or company unless approval has been obtained in writing from Show Management.

Exhibitors must show only goods manufactured or dealt in by them in the regular course of business. Should an article of a non-exhibiting company be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint or trademark under which same is sold in the general course of business.

No company or organization not assigned exhibit space will be permitted to solicit business within the Exhibit Areas.

5. OPERATION OF EXHIBITS. Show Management reserves the right to restrict the operation of, or evict completely, any exhibit which, in its sole opinion, detracts from the general character of the exhibition as a whole. This includes, but is not limited to, an exhibit which, because of noise, flashing lights, method of operation, display of unsuitable material, is determined by Show Management to be objectionable to the successful conduct of the exhibition as a whole. Use of so called "barkers" or "pitchmen" is strictly prohibited. All demonstrations or other promotional activities must be confined to the limits of the exhibit space. Sufficient space must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities. Each exhibitor is responsible for keeping the aisles near its exhibit space free of congestion caused by demonstrations or other promotions.

Food and Beverages. No distribution of refreshments or any other product for consumption (other than packaged candy/snacks) not manufactured by, or specifically related to, the product of the exhibitor will be permitted.

Sound. Exhibits which include the operation of musical instruments, radios, sound projection equipment, or any noisemaking machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Operators of noisemaking exhibits must secure approval of operating methods before the exhibit opens. Show Management shall be the sole judge of what constitutes appropriate sound levels. Show management reserves the right to disconnect sound if, after two requests, it is not turned down to an acceptable level.

Live Animals. Live animals are prohibited.

Booth Representatives. Booth representatives, including models or demonstrators, must be properly registered and wear badges, and be properly and modestly clothed. Excessively revealing attire is prohibited.

For their own safety and protection, persons under the age of twenty-one (21) will not be admitted to the exhibit halls at any time.

7. INSTALLATION AND REMOVAL. Show Management reserves the right to fix the time for the installation of a booth prior to the Show opening and for its removal after the conclusion of the Show. Any space not claimed and occupied by three (3) hours prior to the published Show opening time may be resold or reassigned without refund. Installation of all exhibits must be fully completed by the opening time of the exhibition.

Exhibits must be staffed during all Show hours and may not, to any extent, be dismantled before the Show closing. Any early dismantling or packing shall be considered a breach of this agreement and may affect future applications.

8. ARRANGEMENT OF EXHIBITS. Each exhibitor is provided an Official Exhibitor Kit. The Exhibitor Kit describes the type and arrangement of exhibit space and the standard equipment provided by Show Management for booth construction. All booth space must be arranged and constructed in accordance with the guidelines, provisions and limitations contained in the Exhibitor Kit. If, in the sole opinion of

Show Management, any exhibit fails to conform to the Exhibitor Kit guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exhibition. Exhibits not conforming may be dismantled or modified, at cost to the exhibitor, at the sole judgment and discretion of Show Management.

Exhibitor Plan Review. Booth construction plans and layout arrangements for first-time exhibitors, exhibits in peninsula or island booth spaces, or involving other unusual construction features, must be submitted for approval at least sixty (60) days prior to the opening of the exhibition. 9. EXHIBITS & PUBLIC POLICY. Each exhibitor is charged with knowledge of all State, County, and City laws, ordinances and regulations pertaining to health, fire prevention and public safety, while participating in this exhibition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor.

No part of the building shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped or otherwise affixed to any pillars, doors, walls or other parts of the building. Any and all damages, losses, expenses, and/or costs resulting from failure to observe this notice shall be payable by the exhibitor.

The exhibitor must, at his expense, maintain and keep in good order his exhibit and the space for which he has contracted.

Show Management and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor's space, materials and operation is concerned. Should an exhibitor have any questions as to the application of such laws, ordinances and regulations to his exhibit or display, Show Management will endeavor to answer them.

Exhibitors must comply with City and State fire regulations. All booth decorations including carpeting must be flame-proofed and all hangings must clear the floor. If unusual equipment or machinery is to be installed, or if appliances that might come under fire codes are to be used, the exhibitor should communicate with Show Management for information concerning facilities or regulations.

Exhibitors will not be permitted to store packing crates and boxes in their booths during the exhibit period; but these, when properly marked, will be stored and returned to the booth by service contractors. It is the exhibitor's responsibility to mark and identify his crates and boxes. Crates and boxes not properly marked or identified may be destroyed. Show Management assumes no responsibility for the contents of crates or boxes improperly labeled as "empty."

Because of the lack of storage facilities, it may be necessary to store empty crates, boxes and exhibit material outside the building. Every effort will be made to protect the crates from the elements, but neither Show Management nor its service contractors will assume any responsibility for damage to them.

The removal and return of large crates that cannot be handled by hand trucks will be charged for at prevailing rates.

Crates, boxes or other exhibit materials unclaimed by the exhibitor after the Show will be removed at the exhibitor's expense. Exhibitors will be billed by the service contractor for removal time and materials at prevailing rates. Neither Show Management, the service contractor, nor the exhibit facility shall assume any liability whatsoever for loss or damage.

members or directors of any of the same are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism or other causes, and the exhibitor expressly waives and releases any claim or demand he may have against any of them by reason of any damage to or loss of any property of the exhibitor. It is recommended that exhibitors obtain adequate insurance coverage, at their own expense, for property loss or damage and liability for personal injury.

Exhibitor agrees that it will indemnify and hold and save Show Management whole and harmless of, from and against all claims, demands, actions, damages, loss, cost, liabilities, expenses and judgments recovered from or asserted against Show Management on account of injury or damage to person or property to the extent that any such damage or injury may be incident to, arise out of, or be caused, either proximately or remotely, wholly or in part, by an act, omission, negligence or misconduct on the part of Exhibitor or any of its agents, servants, employees, contractors, patrons, guests, licensees or invitees or of any other person entering upon the Premises leased hereunder with the express or implied invitation or permission of Exhibitor, or when any such injury or damage is the result, proximate or remote, of the violation by Exhibitor or any of its agents, servants, employees, contractors, patrons, guests, licensees or invitees of any law, ordinance or governmental order of any kind, or when any such injury or damage may in any other way arise from or out of the occupancy or use by Exhibitor, its agents, servants, employees, contractors, patrons, guests, licensees or invitees of the Premises leased hereunder. Such indemnification of Show Management by Exhibitor shall be effective unless such damage or injury may result from the sole negligence, gross negligence or willful misconduct of Show Management. Exhibitor covenants and agrees that in case Show Management shall be made a party to any litigation commenced by or against Exhibitor or relating to this lease or the Premises leased hereunder, then Exhibitor shall and will pay all costs and expenses, including reasonable attorney's fees and court costs, incurred by or imposed upon Show Management by virtue of any such litigation.

Neither Show Management nor Exhibitor shall be responsible for any loss of or damage to property of the other party hereto, including, but not limited to, loss or damage occasioned by theft, fire, smoke, acts of God, public enemy, riot, civil commotion, or other insurable casualty, and Show Management and Exhibitor expressly waive any claim for liability against the other party hereto with respect to any such loss or damage. In the event that such occurrence results in cancellation of the exhibition, each party hereby releases the other from obligations under this contract. Accordingly, it shall be the responsibility of Show Management and Exhibitor, respectively, to secure its own insurance or otherwise protect itself and its property against such loss or damage.

Use of Certain Property. Exhibitor will assume all costs arising from the use of patented, trademarked, or franchised materials, devices, processes or dramatic rights used on or incorporated in the exhibitor's space. Exhibitor shall indemnify, defend and hold harmless IHI, Show Management, the City and their officers, directors, members, agents, and employees from and against all claims, demands, suits, liability, damages, losses, costs, attorneys' fees, and expenses of whatever kind or nature, which might result from or arise out of use of any such material(s) described above.

14. WAIVER. Show Management shall not be deemed to waive any of its rights hereunder unless such waiver is explicitly stated as a waiver in writing and signed by Show Management. No delay or omission by Show Management in exercising any of its rights shall operate as a waiver of such rights and a waiver of such rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

15. ATTORNEYS' FEES. Should Show Management find it necessary to employ an attorney or attorneys to enforce any of the provisions of this agreement, or to protect in any manner its interest or interests under this agreement, Show Management, if it is the prevailing party, shall be entitled to recover from the other party all reasonable costs, charges, and expenses including attorneys' fees.

17. ATTENDEE MAILING LISTS. All approved exhibitors will receive a mailing list in pdf format of registered attendees by e-mail after the event. This list is for one-time use only, and may not be disclosed, transferred, duplicated, reproduced, sold, loaned, or any portion retained whatsoever, including entering into electronic databases. Violation of these conditions will jeopardize your standing as an IHI exhibitor at future IHI meetings.

18. OTHER REGULATIONS. Any and all matters not specifically covered by the preceding rules and regulations shall be subject solely to the decision of Show Management. THE SHOW MANAGEMENT SHALL HAVE FULL POWER TO INTERPRET, AMEND, AND ENFORCE THESE RULES AND REGULATIONS, PROVIDED EXHIBITORS RECEIVE NOTICE OF ANY AMENDMENTS WHEN MADE. EACH EXHIBITOR AND ITS EMPLOYEES AGREES TO ABIDE BY THE FOREGOING RULES AND REGULATIONS AND BY ANY AMENDMENTS OR ADDITIONS THERETO IN CONFORMANCE WITH THE PRECEDING SENTENCE.
