

# HUNGER SUNDAY IS MAY 7TH!

---

Your church is joining the fight to end ALL forms of human poverty! On May 7th, your church will host Hunger Sunday, a nation-wide event to spread awareness about child sponsorship.

## NOW WE NEED YOU!

Together with Food for the Hungry, thousands of families are already helping end poverty in the hard places and now you can help even more children experience the life-changing impact of sponsorship.

In preparation for this event, please pray how God might have you participate and how you might affect the life of a child.
