

WELCOME

DEAR CHURCH LEADER,

We're so thrilled that you'll be partnering with us through a special offering! Along with other churches all across the nation, you'll be leading the charge to end poverty in the lives of many through Food for the Hungry.

We cannot wait to see how your church's offering and sacrifice will benefit not only the vulnerable communities we serve, but also your very own church family. We've seen first hand how gifts can develop the hearts and minds of entire congregations and create a culture of kingdom thinking. We hope and pray that your church is transformed and refined through this process.

In this packet, you'll find resources to prepare your church for the offering. You'll find a flash drive with digital resources such as social media graphics, a slide show graphic, and a bulletin insert for you to use.

We're praying for your church's heart for the poor as we aim to meet the physical and spiritual needs of the world's most vulnerable people. Please let us know if there is anything we can do to help further.

Sincerely,
Food for the Hungry Church Engagement Staff
