

OUR CHURCH WANTS TO SEE AN END TO ALL FORMS OF HUMAN POVERTY

We will be taking up a special offering soon in support of Food for the Hungry and *we need you!*

Together with Food for the Hungry, thousands of churches are already helping end physical and spiritual hungers in the hard places and now you can serve the least of these all over the world.

In preparation for this special offering, please pray how God might have you participate and how you might affect the lives of vulnerable people.

ABOUT FOOD FOR THE HUNGRY

Food for the Hungry has been serving through purposeful relief and development for over four decades by going into the hard places and closely walking with the world's most vulnerable people. They're moved and inspired by their Christian belief that every person has intrinsic value and that it's our responsibility to advocate for the poor and marginalized. They provide life-changing resources such as clean water, medical aid, food, equal educational opportunities to girls and boys, vocational training and empowerment in the midst of unimaginable hardships in over 20 countries globally.
