

# QUALITY ASSURANCE PROFESSIONAL

DO YOU WANT TO BE PART OF MOVING LIFE SCIENCE FORWARD?

**SVAR LIFE SCIENCE AB ARE LOOKING FOR A QUALITY ASSURANCE PROFESSIONAL FOR IMMEDIATE EMPLOYMENT**

## ABOUT THE JOB

We are looking for a Quality Assurance Professional who will act as a strong player in a flexible and dedicated QA team. We have high ambitions of delivering excellent customer service and support to both our customers and throughout the Svar organisation. Work is governed by regulations such as ISO13485, GLP, ISO15189 and 21CFR820.

Some of the main task in our QA/RA team include but are not limited to:

- Review and approve quality documents, such as SOP's, validations and test methods etc.
- Conducting internal quality audits and contribute at external audits/inspections.
- Develop and drive improvement of the Quality Management System
- Keep up to date regarding current industry regulations/guidelines.
- Participate in projects as quality representative.
- Support QMS processes with investigations and approvals to ensure quality compliance.

**Location:** Malmö
