

ThinkCERCA Implementation Checklist: Teachers

ThinkCERCA is implemented using the following timeline: Planning, Implementation, and Reflection.

Each step in the timeline is required for a successful launch. Your School Success Manager can support you in identifying the resources to support each step.

1	<input type="checkbox"/>	Secure Essential Instructional Technology - projector, speakers, etc.
2	<input type="checkbox"/>	If created, Obtain Student Login Cards from Administrator for Efficient Student Account Login
3	<input type="checkbox"/>	Create Needed Classes ¹
4	<input type="checkbox"/>	If part of Implementation, Assign Baseline Writing and Leveling Assessments
5	<input type="checkbox"/>	Review General Lesson Plan Template: First Lesson
6	<input type="checkbox"/>	Review with Students the " What is CERCA? " ² Direct Instruction Lesson
7	<input type="checkbox"/>	From our On-Demand Training ³ , Share Step 5: Student Resources with Students
8	<input type="checkbox"/>	Encourage teachers and students to reflect on healthy technology usage
