

# ThinkCERCA Implementation Checklist: Technology Coordinator

ThinkCERCA is implemented using the following timeline: Planning, Implementation, and Reflection.

Each step in the timeline is required for a successful launch. Your School Success Manager can support you in identifying the resources to support each step.

1	<input type="checkbox"/>	Establish Technology <b>Schedule</b>
2	<input type="checkbox"/>	Establish Technology <b>Norms</b> - Student Accountability, Device Management and Maintenance, Appropriate Use Scenarios
3	<input type="checkbox"/>	If possible, Download <b>Chrome</b> on all Student Devices
4	<input type="checkbox"/>	If possible, add <u>ThinkCERCA to Chromebook Shelf</u> <sup>1</sup>
5	<input type="checkbox"/>	Secure Student <b>Headphones</b>
7	<input type="checkbox"/>	Monitor technology safety and intervention
