

Timed Practice

- 1) Start the timer.
- 2) Read the text.
- 3) Read the question(s) carefully and respond.
- 4) Review answer choices.
- 5) Submit your work.
- 6) Record the time.
- 7) Set a goal for the next time you do timed practice (with the same type of question).

Repeat with the purpose of continually decreasing the time taken until the final goal has been reached.

<i>What test are you preparing for?</i>			<i>What is your final time goal?</i>
