

Who can request a speaker?

Any business, ministry, congregation, school, club, group, etc. seeking a speaker for an event or function. These events may include conferences, department meetings, club meetings, community outreach, etc.

How much lead time do I need to give to book a speaker?

We are flexible and will work with you to select a date that works with your schedule and ours. Many of our topics have multiple speakers.

Is there a cost to engage a speaker?

There is no fee to our presenters. If you would like to recognize or show appreciation, a free will donation is an option to help cover travel costs or help our general ministry to continue to provide programs and services that benefit seniors, individuals with special needs and others whose lives are touched by our ministry.
