St. Michael's Assisted Living relies on charitable support for a large portion of our budget, including all of our spiritual care. And while much of our health care programming is covered by government-funded benefits, these funding sources provide minimal coverage and are in a constant state of flux. Below are several ways you can help inspire hope and ensure our mission continues as a place where The Care of the Soul is the Soul of Care.

IT'S NEVER 2 LATE (iN2L) SYSTEM \$26,000

The iN2L system uses an adaptive computer to provide comforting, engaging and therapeutic programs matched to each resident's interests. It is adaptable for the varying abilities and challenges our residents have.

DINING ROOM CHAIRS (20) \$375 each

A welcoming facility is one that looks its best, with pleasant décor and a neat appearance. Donating new dining room chairs will accent our new dining tables and will be inviting to residents and guests.

APOLLO MOBILE DIGITAL SCALE \$3,985

"Stepping" on the scale is something the average person often avoids, but accurate weight is critical to caring for residents. This scale works in tandem with the Apollo tub transfer chair that St. Michael's already uses.

ELECTRONIC SIGN \$ 11,650

Keep our campus looking sharp with a new electronic sign at the base of our driveway. The sign will display updates to the community about activities at St. Michael's and will incorporate our new logo.

LAZY SUSANS (7) \$35 each

Lazy Susans keep our dining room tables organized and accessible to all with a simple rotation. They're ideal for holding condiments and a clever way to serve our residents.

PATIO FURNITURE \$500

What a lovely way to spend the afternoon — sitting in a comfortable chair on the patio, talking with friends or family in a shady spot while you watch the world go by.
