A fulltime employee will earn paid sick leave at the rate of 10 hours per month of service. Sick leave is cumulative for a maximum of 1760 hours. There will be no compensation for absence due to personal illness or injury in excess of accrued sick leave.

An employee earning sick leave from another Ohio public employer may transfer 50% of the accumulated sick leave up to a maximum of ninety-(90) workdays.

Sick leave may be used by employees who find it necessary to be absent for reasons of personal illness, personal injury, personal disability or illness in the immediate family (see Glossary), including those caused by or attributed to pregnancy, miscarriage, abortion and childbirth as well as for medical, dental, or optical examination or treatment and absence for reason of exposure to a contracted disease which could be communicated to others. Paid sick leave entitlement also may be used where otherwise specified in this agreement and for time off that constitutes FMLA leave time. A statement of the general nature of illness or fitness may be required to return to duty. Where the College requires an examination by a doctor of its choice, the College will pay the cost of the examination.

An employee who is absent on sick leave due to personal illness or injury or immediate family illness or injury will be required to present a doctor's certificate, stating the cause of the absence, when the absence exceeds five (5) working days. The College will not require such a certificate in the case of illness or injury of less than five (5) working days duration except in the case of employees who frequently take sick leave and only after the employee has been so notified in writing.

Sick leave usage is excessive when an employee has thirteen (13) sick leave "occurrences" in a rolling calendar year. One (1) sick leave "occurrence" is an employee's utilization of sick leave prior to returning

back to work, regardless of the number of hours or number of days of sick leave used. For example, an employee who was out on sick leave from Friday through Wednesday, where Saturday and Sunday were off-days, would be counted to have one (1) occurrence upon his return to work on Thursday.

Once an employee has thirteen (13) occurrences in a rolling calendar year, he shall be required to bring in a note of a medical provider for the future use of sick leave. However, if the employee works four (4) months after reaching thirteen (13) occurrences without using sick leave, his occurrence total shall revert to zero (0) and past occurrences shall not be used in any occurrence count. At that point, he shall not be required to bring in a note of a medical provider for the use of sick leave until after he accumulates another thirteen (13) occurrences in a rolling calendar year.

The use of sick leave shall not count for an occurrence when sick leave is used for hospital stays, outpatient surgery, extended illness or other conditions covered by FMLA. In cases in which an employee suffers from an ADA-qualifying illness, which is physician-verified, special consideration will be given to the application of disciplinary sanctions related to this rule (the requirement of a note from a medical provider).

Employees utilizing sick leave shall comply with the provisions of Section F of this Article.

Sick leave will be posted on the staff Web Advisor.

X.B. Paternity/Adoption Leave

Refer to Article X.K. Family and Medical Leave Act of 1993.

X.C. Maternity

Refer to Article X.K. Family and Medical Leave Act of 1993.

X.D. Personal Use Days

An employee may use, for personal reasons, in increments not less than one-half (1/2) day each, to a maximum of four (4) available days off with pay per calendar year.

X.D.1. The employee need offer no explanation for desiring such time off.

X.D.2. Such personal reason days or increments thereof must be scheduled in advance with the employee's immediate supervisor, or his/her designee, if the supervisor is unavailable. Request for personal days must be made 5 (five) calendar days in advance. In case of an emergency, personal days will be approved the same day as needed, however, employees must specify nature of emergency to the Chief of Police for consideration.

X.D.3. The first two (2) full days used shall be deducted from the employee's allowed paid personal days granted under this Agreement, unless a bargaining unit employee indicates they want the personal day deducted from their sick leave. (Employees may bank free personal days for payoff at retirement – see X.D.3.) The next increments of up to two (2) additional such unexplained days off with pay shall be deducted from the employee's sick leave allowance granted under this Agreement.

X.D.4. For every unused free personal day, the Bargaining Unit Employee will be credited one-half (1/2) day for payment as additional severance upon retirement. This additional severance will be paid at the employee's full rate of pay at the time of retirement (not at the one-quarter [1/4] rate). There is a maximum of ten (10) days accrual for which a Bargaining Unit Employee will be paid.

X.E. Bereavement Leave

Available paid sick leave may be used in the case of death in the extended family for up to five (5) consecutive calendar days, during

which to attend the funeral, with the employee's normally scheduled work days being deducted from his or her sick leave. The extended family is defined as spouse/life partner, child, mother, father, sister, brother, mother-in-law, father-in-law, as well as grandparents and grandchildren or members (permanent residents) of the employee's own household. In cases of death in the immediate family (see Glossary) one of the five available days may be taken without any deduction from accumulated sick leave.

X.F. Request for Leave Form/Employee Statement

An employee requesting sick leave shall notify the officer on duty and HR at least three (3) hours prior to the time he/she is to report to duty where practicable. Whenever an employee incurs time off which is to be charged against available sick leave pursuant to Sections A-E above, he/she shall promptly deliver to the College a signed leave form explaining which such Section was applicable to the time used. Failure to file such a statement may result in disciplinary action. Falsification of statements may result in termination.

Each leave form requires a date of expiration. Failure of any employee to renew the leave in a manner consistent with procedures described herein, and/or failure to return to work in three (3) working days after the leave's expiration date may result in disciplinary action including termination of said employee in accordance with Article XIII.

X.G. Jury Duty

Employees shall be compensated by an amount equal to the difference between regular salary and the amount of pay received as a juror for the workdays involved.

X.H. Military Leave

Military leave and pay shall be provided and paid to employees as required by federal and state laws and regulations governing state and federal military leave. The benefits and compensation afforded to bargaining unit employees shall not be less than that provided by such federal and state laws and regulations.

In addition to that provided in the preceding paragraph, if the Employer affords additional military leave and/or pay to any other employees of the College, such shall also be afforded to bargaining unit employees.

X.I. Personal

X.I.1. Extended Disability

Employees may apply for and shall be granted a leave of absence without pay for disability, including pregnancy complications, beyond paid sick time accrued. The employee must submit a satisfactory physician's statement with such application at least one week prior to being granted the leave, except in cases of emergency. All such Disability Leaves of Absence require specific approval by the College and shall not exceed twelve (12) months in duration from the last day of paid leave.

X.I.2. Personal Reasons Leave

Employees may apply for and may be granted a leave of absence without pay for such reasons as vacations or other matters not specifically covered by the Agreement. Employees shall give four (4) weeks' written notice of their requests for such leave of absence, except in cases of emergency. All such Personal Reasons Leaves of Absence require specific approval and shall not exceed twelve (12) months in duration from the last day worked. Absence requires specific approval from the Chief of Police.

X.I.3. Retention of Position

After any unpaid leave of absence exceeding six weeks (with the exception of FMLA), an attempt will be made to return the employee to the same position; however, where this is not possible or practical, the employee will be offered another position, if one is available, for which the employee is qualified.

X.J. Insurance Premiums

During an unpaid leave of absence, the College will pay its share of any group insurance premiums due under this Agreement such that said coverages are continued through the end of the calendar month in which the employee last actually worked, or was on paid leave status, whichever is later. Thereupon, the employee shall be offered all COBRA and conversion benefits required by Ohio or Federal law, and shall be responsible for the payment of all relevant premiums. Employees on unpaid FMLA absence continue to be eligible for insurance benefits as protected by FMLA.

X.K. Family and Medical Leave Act of 1993

Bargaining Unit members shall be entitled to a leave of absence under the Family and Medical Leave Act of 1993. (FMLA information is available on the Hocking College website). The College shall grant such leave in accordance with the rules promulgated under the Act. Leaves granted under this act shall run concurrently with any applicable paid and unpaid leaves under this contract. Any contractual unpaid leave may be granted by Human Resources upon request at the expiration of those granted under the Family and Medical Leave Act. Return from any unpaid leave shall be as identified in Section X.I.3.

X.L. Workers Compensation

In the event an employee is disabled from working due to an industrial accident, such employee may utilize any time off with pay benefits for which eligible (such as personal use days, sick leave days, unused vacation leave or accrued compensatory time off) in order to receive the equivalent of full weekly paychecks during any minimum waiting period which must be served before Worker's Compensation benefit payments commence. If the employee receives, on a retroactive basis, any Worker's Compensation benefit payment attributable to such waiting period, the employee will assign and deliver the same to the College. This paragraph shall not prohibit the College from offering employees wage continuation.

Article XI Seniority

XI.A. General

- XI.A.1.** “Seniority” means the length of an employee’s uninterrupted, continuous employment service with the College, expressed in terms of Seniority Years.
- XI.A.2.** Seniority is calculated from the first day worked by the employee in a Bargaining Unit position.
- XI.A.3.** A bargaining unit employee shall be credited with one Seniority Year (twelve seniority months) for each completed employment year.
- XI.A.4.** No employee’s seniority shall be recognized for any purpose under this Agreement until he/she has completed the probationary period. Upon completion of such probationary period, the employee shall be credited, for seniority purposes, with the time worked during such period.

XI.B. Loss of Seniority

An employee’s Seniority will be lost when the employee:

- XI.B.1.** Quits or resigns.
- XI.B.2.** Is discharged for just cause.
- XI.B.3.** Is laid off for a period which exceeds his/her recall rights.
- XI.B.4.** Accepts a non-bargaining unit position for more than 24 months.

XI.C. Suspension of Accrual

Layoff, acceptance of a non-bargaining unit position or taking of an extended Personal Reasons Leave of Absence (more than 30 leave days in any contract year) shall constitute an interruption of the employee’s continuous service and accrual of seniority shall terminate,

but previously accrued seniority shall not be lost. If the employee returns to bargaining unit employment prior to expiration of recall rights (in the case of layoff), prior to expiration of the twenty-fourth month (in the case of accepting a non-unit position), or within twelve (12) months (in the case of Personal Reasons Leave), he/she shall continue to be credited with the amount of seniority he/she possessed at the time of the interruption and accrual shall again commence upon return.

XI.D. Equal Seniority

XI.D.1. Equal Seniority means that two or more employees have the same number of Seniority Years and the same first day worked in a bargaining unit position.

XI.D.2. In a situation requiring the breaking of a tie in equality of Seniority, the employee first hired by the College, where such can be determined from College records, shall be considered the most senior.

XI.D.3. Where it is impossible to determine from College records which of two employees with equal Seniority was hired first, such tie shall be resolved by a coin flip witnessed by the employees.

XI.E. Seniority List

Annually, in July during each contract year, the College will provide the Union with a copy of the College's then current Seniority List. Following receipt, the Union shall have fourteen (14) calendar days in which to bring to the College's attention, in writing, any alleged discrepancies in said list.

Article XII

Attendance and Tardiness

- XII.1.** In the case of absence or tardiness, it is the obligation of each employee to personally notify the officer on-duty prior to the employee's normal reporting time. In the case of an absence for use of sick leave (not including personal days) the employee shall also notify the Human Resources Department (also referenced in X.F. Request For Leave Form).
- XII.2.** An absence is considered one period of absence such as a single day, or, such as in the case of illness, a series of consecutive days. An incident of tardiness is any time an employee arrives after his/her scheduled starting time.
- XII.3.** All absences qualifying as either paid or approved unpaid leaves of absence pursuant to this Agreement are considered excused absences. Unless approved by both the Chief of Police and the Human Resources administrator, all other absences are considered unexcused. Any employee accumulating three (3) unexcused absences in any consecutive 365 calendar day period will be subject to discharge for just cause. Tardiness and/or the accumulation of incidents of tardiness shall not constitute an unexcused absence(s).
- XII.4.** An incident of tardiness is any time an employee arrives after his/her scheduled starting time. More than two (2) incidents of tardiness in any one-month period (Example: January, February, March...) is subject to discipline up to and including suspension without pay, subject to Article XIII. Persistent tardiness could result in further disciplinary action, subject to Article XIII. When an officer is tardy, he/she is not permitted to make-up the time at the end of the shift without prior approval from the Chief of Police.
- XII.5.** An employee must be in uniform and ready for duty at the start of his/her shift or they will be charged with an incident of tardiness.

Article XIII Discipline and Discharge

XIII.A. Standard

Employees shall be disciplined or discharged for just cause only.

XIII.B. Forms

Forms of disciplinary action shall be limited to the following:

1. Documented Verbal Reprimand
2. Documented Written Reprimand
3. Suspension (with or without pay)
4. Demotion (for Sergeants only)
5. Discharge

Coaching in any form shall not be considered disciplinary action. Discipline shall be uniform. Discipline shall be applied in a corrective and progressive manner, except in cases of serious misconduct. For reference, see Class I examples of serious misconduct outlined in the Employee Code of Conduct.

XIII.C. Due Process

The following due process rights shall be afforded all employees involving matters of discipline or discharge:

- XIII.C.1.** In the event that disciplinary action may be imposed, a pre-disciplinary conference between the employee and the College will be arranged. Notice of the pre-disciplinary conference shall be in writing and shall contain a detailed description of the charges alleged by the College that shall include the specific rules, policies and/or procedures alleged to have been violated along with the alleged factual basis for the disciplinary action. This notice shall inform the employee of the date, time and location of the conference and shall inform the employee that: 1) The employee may waive the

conference; 2) The employee may attend and speak in his own defense; and 3) The employee may attend and have a Union attorney and/or employee representative speak on his behalf.

The employee shall be permitted to review and copy the entire investigative file after receiving notice of the pre-disciplinary conference except for items exempted by public records law.

The conference will take place no earlier than twenty-four (24) hours from the time the employee is notified in writing. Union representation, including a Union attorney and/or employee representative, if desired, will be made available. Up to a twenty-four (24) hour extension for the meeting will be granted if the employee request such; however, more time may be granted if mutually agreed by the parties. A written decision shall be provided to the employee within thirty (30) calendar days after the conclusion of the conference or the date the employee waived the conference.

- XIII.C.2.** An employee shall be given written notification of any disciplinary action taken against him/her. Such notice shall identify the specific rules, policies and/or procedures alleged to have been violated along with the alleged factual basis for the disciplinary action.
- XIII.C.3.** Such written notice shall be signed by the employee and his/her immediate supervisor and placed in the employee's personnel file. A copy must be sent to the Union Director.
- XIII.C.4.** Documented Verbal and Documented Written Reprimands shall cease to have force and effect and shall be removed from the employee's active personnel file twenty-four (24) months following the issuance provided that no further discipline is received in such twenty-four (24) month period. Retention of such removed items in the Human Resources office separate from the active personnel file shall not be a violation of Article VI of this Agreement. If further discipline is received in such twenty-four (24) month period, the

twenty-four (24) month period shall begin again upon such further discipline.

XIII.D. Suspension Pending Discharge

No employee shall be discharged prior to the holding of a discharge hearing. The College, however, may suspend the employee from duty pending the discharge hearing. Such suspension shall be with pay for up to three working days unless the hearing occurs earlier. If the hearing is delayed beyond three working days due to the Union's inability or failure to provide representation as specified in Subsection 4 1 of Section C above, the balance of the suspension shall be without pay; provided, however, that the employee may elect to proceed with the hearing without Union representation at any time. If the hearing is delayed beyond three working days due to the fault of the College, the suspension shall continue to be with pay until such time as the College gives the employee notice that it is ready to proceed.

XIII.E. Appeals

Article IV, Grievance Procedure, may be used to appeal any disciplinary action.

XIII.F. Representation Generally for Disciplinary Matters

For all interviews, hearings or meetings involving discipline, a Union attorney and/or employee representative, if desired, will be made available.

Article XIV Probationary Period

- XIV.1.** All new employees shall be considered to be on probation for a period of 365 calendar days, commencing the first day in the position. Employees who are promoted from the bargaining unit position of Police Officer to the Sergeant position shall be considered to be on probation for a period of 180 calendar days, commencing the first day in the position.
- XIV.2.** If an employee is discharged or quits while on probation and is later rehired, he/she shall be considered a new employee and subject to the provisions of full probation.
- XIV.3.** The retention or release of a new employee who is a probationary employee shall be at the discretion of the College and is not subject to the Grievance Procedure. Employees who are promoted from the bargaining unit position of Police Officer to the position of Sergeant and serving their probationary period as a Sergeant shall not be released from employment except for just cause as identified in this agreement. Should such employee not successfully complete his probationary period as a Sergeant, said employee shall be returned to the position of Police Officer without loss of seniority.
- XIV.4.** Probationary Rights
- In all other respects, a probationary employee shall be deemed a Bargaining Unit member and covered by the process of its Agreement.
- XIV.5.** New employees who are probationary employees shall not be entitled to benefits of Tuition Reimbursement Clause.

Article XV Reduction in Forces – Recall

XV.A. Notice

When the College determines that a reduction of the workforce is necessary due to lack of work or lack of funds, where possible, it will give the affected employee(s) and the Union's Director thirty (30) calendar days advance, written notification of the contemplated effective date. In all events, the affected employee(s) and the Union Director will be given actual, advance, written notice by registered letter of the layoff date not less than seven (7) calendar days before the effective date of the layoff.

XV.B. Priority

When a reduction in the workforce is necessary due to lack of work or lack of funds, said reduction will be effectuated in keeping with the following:

- XV.B.1.** The College first will attempt to obtain the necessary reduction through attrition, meaning voluntary resignations, retirements, or transfers.
- XV.B.2.** If additional reduction is necessary, it will be achieved first by releasing casual or temporary employees.
- XV.B.3.** If additional reduction is necessary, it will be achieved next by releasing part-time employees.
- XV.B.4.** If additional reduction is necessary, it will be achieved by the layoff of newly hired, probationary employees.
- XV.B.5.** If additional reduction remains necessary, such will be achieved by the layoff of fulltime employees in reverse order of seniority in accordance with the procedure outlined in Item C below.

XV.B.6. It is understood that the foregoing order of priority applies only where, following the release or layoff of the subject employees, the remaining employees are qualified to and capable of performing the department's essential work.

XV.C. Displacement Procedure

Bargaining unit members shall be laid-off by inverse seniority by classification. Sergeants who are laid off shall have the right to bump into the Police Officer position. Such employees may hold such position so long as their seniority permits. A Sergeant who bumps into the Police Officer position shall not bump, displace or take the place of a Police Officer with greater seniority.

XV.C.1. A Sergeant who is bumped to the Police Officer position shall receive the top wage for a Police Officer for such time in said classification.

XV.C.2. A Bargaining Unit member may, at his/her option, choose to take layoff status rather than initiate displacement as provided herein. A Bargaining Unit member so choosing, shall move directly to layoff status and shall receive all rights and benefits provided in this Article. Such notification must be received, in writing, by the College within five (5) calendar days prior to announced layoff.

XV.D. Rights While On Layoff

Bargaining Unit members on the recall list will have the following rights:

XV.D.1. No new Bargaining Unit members will be employed by the College while there are Bargaining Unit members on the recall list who are qualified for the vacancy.

XV.D.2. Bargaining Unit members on the recall list will be recalled in order of seniority for vacancies in areas for which they are qualified as determined by the College in accordance with the procedures herein.

XV.D.3. A Bargaining Unit member on the recall list will, upon resuming active employment status, return to status with the same seniority, accumulation of sick leave, and the pay classification placement as required by the provisions of this Article. Upon resuming employment, the employee shall be removed from the recall list.

XV.D.4. The College will permit the laid off employee to continue to participate in group insurance programs under this Agreement for the duration of his/her recall rights provided that (1) such is permitted by the applicable carrier, and (2) the employee pays the entire premium attributable to the insurance options he/she has selected. Upon expiration of recall rights or failure to further availability due to provisos (1) or (2) in the preceding sentence, the employee will be offered conversion and COBRA rights as required by law.

XV.D.5. Bargaining Unit members shall maintain their recall rights for a period of thirty-six (36) months from the last date worked.

XV.E. Recall Procedure

Whenever, in the judgment of the College, it is necessary to increase the Bargaining Unit workforce following a layoff of employees, the laid off employees with unexpired recall rights will be recalled in order of greatest seniority, provided that the recalled employee is qualified to perform the available work. An employee is deemed qualified for any position, which he/she previously performed successfully as a College employee as a regular classification. Where, however, the employee claims training and/or outside experience which qualifies him/her for the pending opening and has notified the Human Resources Office of such claimed qualifications before the recall process (written notice of recall) has started as to another laid off employee, the College will grant such claiming employee a trial period of up to fifteen (15) working days in which to demonstrate his/her qualification for and capability of performing the available work. If the employee fails, he/she shall be returned to layoff status and the next most senior qualified employee will be recalled.

XV.F. Recall Notice

XV.F.1. It is the obligation of each laid off employee to keep the College's Human Resources Office informed in writing of his or her current address (and phone number) in the event a recall may occur. The College fulfills its obligation as to recall by mailing the Recall Notice to such address.

XV.F.2. When the College desires to recall an employee from layoff, it shall so notify him/her by the quickest practical method available, but the employee's obligations to contact Human Resources and to report back to work are computed from the time a written notice of recall, sent by registered or certified mail, return receipt requested, is tendered for delivery at his/her most current address on the records of the Human Resources Office. Within seventy-two (72) hours after such notice is so tendered at the employee's last known address, the employee must contact the Human Resources Office in person, by phone or by telegram, advising it of his/her desire to so return. Further, he/she must have reported back to work within eight (8) calendar days after the Recall Notice was so tendered. If the employee fails to do either of the foregoing within the times required, his/her name, seniority-wise, shall go to the bottom of the recall list, but recall rights shall continue to exist. If the employee fails to contact the Human Resources Office or fails to report for work on a timely basis in connection with a second attempted recall or refuses the work in connection with an initial recall, he/she shall be dropped from the recall list and be deemed to have forfeited any remaining recall rights.

Article XVI

XVII.C. Affirmative Efforts

In the event any violation occurs by employees in the No Strike/No Lockout, Sections A and/or B, upon written notice from the College, the Union shall actively discourage and endeavor to prevent or terminate any violation of this provision by using its best efforts to immediately notify all employees that the strike, sympathy strike, slowdown, work stoppage, or any other interference with normal College operations is in no way sanctioned or approved by the Union.

OTHER PLAN DETAILS

* An employee spouse with access to insurance through their employer, or their retirement plan, will not be eligible for the College offered insurance plan.

* Effective July 1, 2016, an additional premium for tobacco use will be imposed on employees who use tobacco, or in family plans, family members who use tobacco. The premium is \$25.00 per pay period.

* Employees 55+ have a catch-up option. The College will match the annual employee contribution up to \$500 for a total catch-up of \$1,000 into the employee's health savings account which is the maximum allowed by law.

* An employee wellness program will be established by the College with a budget of up to \$250 per enrolled employee in the Wellness Program.

* The College will fund a \$40,000 safety net program to minimize potential individual hardships based on the change in the plan. This will be administered by SCOIC under established guidelines.

* Employees not eligible for a HSA will receive benefits under the HSA ineligible plan whose rates will be the same as for the HDHP except that there will be no employee deduction for contribution into a HSA and no employer contribution to a HSA.
