

Film & Video Production

PROGRAM DESCRIPTION

Film & Video Production Program

This two-year program prepares you for the field of film & video production, and gives students the foundation to pursue work in a thriving industry. The Film and Video Production Program includes courses in various film crew positions.

This intensive, hands-on program will give students experience in scriptwriting, directing, producing, cinematography, lighting, sound recording, editing and film analysis, preparing them to step onto a film set or transfer into a four year program.
