

# Farrier Science & Business

## PROGRAM DESCRIPTION

### Farrier Science & Business Program

Hocking College offers the only a few farrier science associate degree programs in the state of Ohio. The Farrier Science and Business Program offers a unique combination of farrier skills and business management. Students will learn how to correctly trim and balance the horses hooves for proper foot function.

Students will learn corrective farrier skills, as well as shoeing for performance and special needs purposes. Classes such as care and handling, gait analysis, and nutrition provide you with a solid background in horse care.

In addition, the business portion of this program provides students with not only the basic business skills such as management and accounting, but also the marketing development and business skills specific to the equine industry.

## PLACES OF EMPLOYMENT

Examples of places where Hocking College alumni have worked or are currently working include the following:

**Knotts Farrier Service • Self-Employed Farrier**
