## PROGRAM DESCRIPTION

### Ohio Peace Officer Basic Certificate Program

The Ohio Peace Officer Training Academy (O.P. O.T.A.) certification is one of the most popular Hocking College certificate programs and can be earned in just one semester. Join our graduates who earn O.P. O.T.A. certification and are immediately eligible for full-time employment.

Students will apply direct, hands-on practice in our unique classrooms, including our crime lab, firing range and police cruisers. With experienced, certified instructors and hands-on application, our students consistently achieve passing rates on the state-certified exam.

## PROGRAM PRE-REQUISITES

This certificate program requires 100% participation and includes some night, evening, and weekend courses. In order to begin this program, students must complete a Pre-PT test, a background check, and a drug test. Students will not be able to become a Peace Officer until they are at least 18 years of age and they must be able to pass regular drug screenings.
