

ART OF TEA

ABOUT

Art of Tea is a tea importer and wholesaler based in Los Angeles, California. We hand blend and custom craft the world's finest organic teas and botanicals. Our teas are carefully selected directly from growers, each one offering a unique story.

The seeds that formed the foundation of Art of Tea were first planted in 1996 when Steve Schwartz began his journey of extensive study in preventative medicine at the Ayurvedic Institute in New Mexico. Since then, Art of Tea has become a leading purveyor of organic and specialty teas. Each year Steve travels extensively, returning with rare and unique teas from around the world.

Steve Schwartz is known by many authoritative figures in the tea industry as a Master Tea Blender. He has blended award winning teas under our Art of Tea brand and his blends have won awards offered under our private label program for tea companies around the world. His drive and passion for expanding people's knowledge and history of tea is captivating. Steve has lectured sold out tea blending classes for World Tea conventions and frequently travels to offer educational programs on tea and tea blending.

Through his travels in Asia, India, Africa and the Middle East, Steve and Art of Tea have developed close relationships with farmers and distributors. These personal relationships, a hallmark at Art of Tea, make possible the offering of top tier organic teas and select botanicals, while ensuring that both employees and teas are treated with great respect. At Art of Tea, our intensive care program combines aesthetics with passion, flavor and high quality control.

Art of Tea offers Customized Tea Menus, Retail Teas, Pyramid Tea bag Line, Hospitality Tea Program, Customized Blends, Training and Private Label Programs.
