PRODUCT END OF LIFE NOTIFICATION (AMERICAS)

PTN : PTN4

Date : Jan 27, 2019

Subject : Product End-Of-Life Notification for AMERICAS

To : Installers and Channel Partners

Change Type : Major

Description of Change :

Enphase is announcing the discontinuation of CELLMODEM-03 with immediate effect.

The Affected part numbers are listed below:

Product Number	Product Description	LTB	LTS	Currently Supported SKU
CELLMODEM-03	Enphase Mobile Connect. 4G cellular modem with 12-year data plan for US, Puerto Rico, US Virgin Islands, Canada, and Mexico. For systems up to 60 microinverters	N/A *	N/A *	CELLMODEM M1

*Immediate end of life

No further orders will be accepted upon receipt of this notice. Customers should order the currently supported SKU: **CELLMODEM-M1** (with 5-year data plan).

The CELLMODEM-M1 product has similar look and feel compared to our previous 4G modem, but it operates on AT&T's LTE-M network (i.e. CAT M1). CELLMODEM-M1 requires Envoy software 4.10.xx or higher.

RMA Support for existing and older products will continue as they are serviced today.

Qualification Status:

RMA products have been previously identified, unless specifically noted.

Sample Status:

Samples of RMA products are already available. Please contact your local Sales representative.

Approximate Implementation Date:

This EOL is effective immediately with this notification.

Anticipated Impact:

None is expected

Response Required:

No response required. Please contact your local sales representative if you need assistance with replacement product. For additional information regarding this PTN, contact your local sales representative or by email to pcn_adm@enphaseenergy.com.

Sincerely,

PCN Process Manager
