

President's CPCU Scholarship Student Application

Please complete the application below to nominate the top performer(s) within your institution. Your institution determines the specific requirements for selecting up to two nominees. Please include a brief statement describing the applicant's strengths.

Your candidates must:

1. Be at least a sophomore majoring in insurance, risk management, actuarial science, finance, or related field.
2. Be nominated by the department chair, college dean, or college president.
3. Have a cumulative grade point average of 3.3 or higher.
4. Agree to complete the CPCU program within three years of being awarded the scholarship.
5. Attach official transcript.
6. Attach a resume.
