

SUCCESS STORIES:

How GE Centricity Users Win with RCxRules

Since 2010, GE Centricity users have been achieving outstanding results with RCxRules, including:

1

24% decrease in preventable denials

Meritas Health Corporation, a hospital-owned multi-specialty group, reduced eCommerce rejections by 50% and achieved a 24% decrease in preventable denials.

2

28% of staff time freed up to support organizational growth

Northwest Radiology, with 70+ radiologists, improved data quality while maintaining high patient volumes—and freeing up 28% of staff time to work on other initiatives.

3

A more streamlined and predictable month-end process

Aurora Diagnostics, a national pathology lab, automated several manual processes—including charge review and charge correct and re-post—to free up staff, resulting in a more streamlined, less hectic month-end process.

“RCxRules has been a great vendor to partner with. Their team of implementation specialists and support staff are very knowledgeable, and never hesitate to go the extra mile to assist us with our business needs. For any of our unique workflows, RCxRules has assisted us without hesitation to design the system around our needs.”

– Chad Barringer, Director of Revenue Cycle Management, OrthoCarolina
