

EVENT APP

Download a QR code reader to quickly download the mobile app!

Downloading the Mobile App (Apple Store)

-In the App Store, search **Crowd Compass Attendee Hub**

-Select **Get & Install** & Enter your **Apple ID Password** and select **open**

-In the **find your event** search bar, type **Zahn Expo**" and select **search**

-On the right side of your screen, click on the **arrow download** button & select download

-On the **Welcome to the 2019 Zahn Expo!** page, please click the **log-in** blue bar

-Type your **first name** & **last name** used during registration

-On the log-in screen you will receive a message that a verification code will be sent to the mobile number you provided during registration

-Once you receive the verification code via text message, enter in the **enter verification code** box

-Click **verify**

-You will be asked to set up an optional profile, please pick either public (listed on the app attendee list) or private

-Please **allow** notifications
