

Prosci offers three licensing options to help organizations achieve their change management goals. Depending on your objectives and budget, we have the following licenses for you to choose from. Each license builds upon the previous, providing support and direction at every stage of your journey to change management maturity.

ADKAR ENABLEMENT

- Prosci ADKAR® Model
- Program for Managers
- Orientation for Employees
- Change Fundamentals Workshop
- *Change Management Guide for Managers*
- *ADKAR: A Model for Change*
- *Change Management: The People Side of Change*
- *Employee Survival Guide to Change*
- Training Facilitator Guides
- *Best Practices in Change Management*

Create a common language for change and embed ADKAR into how your organization approaches and manages change.
