UPDATE: TRANSCRIPTS REQUEST EMAIL ADDRESSES

As communicated previously, the process of mailing out academic transcripts is under way and most documents should be mailed out early next week to the last known address on record, to students affected by the unfortunate closure of the college.

In order to expedite this process and make sure you are able to make arrangements with other postsecondary institutions in the community to complete your academic program, we would appreciate it you send your **TRANSCRIPT REQUEST** to the email address specific to the campus location where you were enrolled.

For AUSTIN Campus: Transcripts-AUS@vantage.edu

For EL PASO Campuses: Transcripts-ELP@vantage.edu

For SAN ANTONIO Campuses: Transcripts-SAT@vantage.edu

If your address has changed, please send a message to the corresponding email address above with your updated address.

UPDATE: GENERAL INFORMATION EMAIL ADDRESSES

We understand that you may have questions and the Administration of the College will try to respond as promptly as possible to all questions. We suggest that you direct all questions to the email addresses we have setup for this matter:

For AUSTIN Campus: Information-AUS@vantage.edu

For EL PASO Campuses: Information-ELP@vantage.edu

For SAN ANTONIO Campuses: Information-SAT@vantage.edu

Also, we have been contacting institutions that offer similar programs in the different cities we served, and all of them are willing to discuss with you the possibility of completing your program with them. We expect to post additional information on this matter later today.
