

STUDENT DISABILITY SERVICES/ACCOMMODATIONS

The school has an institutional commitment to provide equal educational opportunities for qualified students with disabilities in accordance with state and federal laws and regulations, including the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

Information pertaining to an applicant's disability is voluntary and confidential. If this information is supplied, it will be used to reasonably attempt to overcome the effects of conditions that limit the participation of qualified disabled students. To provide equality of access for students with disabilities, the institution will provide accommodations and auxiliary aids and services to the extent necessary to comply with state and federal laws. For each student, these accommodations and services will specifically address the functional limitations of the disability that adversely affect equal educational opportunity.

Applicants or students who would like to request disability service/accommodations must make a request to the Campus Director; documentation to support the disability must be provided to the Institution at the time of the request. Students will receive written notification of the determination within five business days.
