Vrakas/Blum Computer Consulting, Inc. Named #1 JobOps Solution Provider for Fourth Consecutive Year

Brookfield, WI—Vrakas/Blum Computer Consulting, Inc. is pleased to announce it has been named the #1 JobOps solution provider in the United States for 2009. This is the firm's fourth consecutive year to earn the top honor.

"We had another excellent year in 2009, especially when you consider the challenges presented by the struggling economy," says Joe Jenders, CPA, shareholder and leader of Vrakas/Blum Computer Consulting, Inc. "Our continued success is a testament to our dedicated team, which strives to provide ideal solutions based on our customers' specific needs. I am also appreciative of our strong reseller alliances across the U.S., which have played an integral role in our success."

Beyond being recognized as the #1 JobOps solution provider for four straight years, the firm holds the distinction as the all-time JobOps sales leader. Collectively, the current Vrakas/Blum Computer Consulting team has performed approximately 15% of all JobOps installations nationwide. In addition, the firm services clients in 31 states across the nation and continues to build a national reputation as a leading Sage MAS 90 ERP, Sage MAS 200 ERP and JobOps solutions provider.

JobOps software is written by Synergistic Software, a division of the national accounting firm, BDO Seidman. JobOps is a feature-rich manufacturing software suite that integrates with Sage MAS 90 and Sage MAS 200. The software is customized to meet the unique needs of manufacturing companies that make-to-order, install and service a specialized product.

Vrakas/Blum Computer Consulting, Inc. is a regional software consulting firm based in Brookfield, Wisconsin, with employees located throughout Wisconsin and Northern Illinois. The firm is resellers of Sage MAS 90 ERP, Sage MAS 200 ERP, Sage BusinessWorks, Sage PFW, Sage FAS, Peachtree by Sage and JobOps Software. The firm has also developed its own products for shop floor data collection. The firm services clients throughout the Untied States.
