Vrakas/Blum Computer Consulting, Inc. Acquires Local Sage Practice

Brookfield, WI—Vrakas/Blum Computer Consulting, Inc. recently announced the acquisition of the clients and employees of Clifton Gunderson LLP's Wisconsin Sage practice. Vrakas/Blum Computer Consulting, Inc. is the technology practice of the local CPA and advisory firm of Vrakas/Blum, S.C. and specializes in providing analysis, implementation and maintenance of software solutions for manufacturing and distribution companies.

“This acquisition will only help improve our dedicated service to our clients,” says Joe Jenders, shareholder and leader of Vrakas/Blum Computer Consulting, Inc. “Though we continue to grow, we continually strive to maintain our commitment to exceptional service and will never lose our close personal relationships with our clients.”

The recent acquisition helps enhance the services of Vrakas/Blum Computer Consulting by expanding its service offerings for its existing client base, as well as the newly acquired clients.

In addition to expanded service offerings, the merger adds two new members to the Vrakas/Blum Computer Consulting team. Brian Kermicle, CPA, Principal has over 20 years of experience in the areas of software consulting, accounting, assurance and audit. He specializes in the implementation, training and support of Sage Software ERP systems and is a certified trainer for MAS 90. Lisa Pence, CPA, Manager has over 20 years of experience in software consulting and accounting, with a primary focus in manufacturing. Lisa is certified in Sage PFW.

“We are truly excited about the addition of Brian and Lisa, and feel they are great fits for our organization,” says Jenders. “I am confident their background and extensive experience will help make our first-class team even stronger and improve the services we provide to our clients.”

Vrakas/Blum Computer Consulting, Inc. is a regional software consulting firm, based in Brookfield, Wisconsin, with employees located throughout Wisconsin and Northern, Illinois. The firm is resellers of Sage MAS 90 ERP, Sage MAS 200 ERP, Sage BusinessWorks, Sage PFW, Sage FAS, Peachtree by Sage and JobOps Software. The firm has also developed its own products for shop floor data collection. The firm services clients throughout the United States. Vrakas/Blum Computer Consulting, Inc. is affiliated with Vrakas/Blum S.C., a full-service CPA and Business Advisory firm.
