Embrace BYOD with Sharpdesk Mobile

Print. Scan. Share.

Embrace Bring Your Own Device (BYOD) with secure mobile printing and scanning.

Sharpdesk Mobile helps corporations adopt secure BYOD across the organizations.

- Deliver a consistent user experience for iOS, Android™, and Windows® devices.
- No print driver is required. One application for many printers.
- Convenient document capture for mobile devices.
- Quick and easy document sharing with other applications.
- Secure mobile printing & scanning while improving productivity.

“Workers who communicate using mobile devices will account for **three-quarters of the workforce** in the United States by 2015.”

(Source: IDC, Mobile Printing Landscape: Transition to Early Adopters, August 2012.)
