

INVOICE

Svea Ekonomi offers you an easy and safe way to make purchases by invoice.

When you choose to pay with invoice, you will always get at least 14 days payment time. The buyer must be at least 21 years old. Interest for delayed payments is a legitimate interest for late payment i.e. 7 % + reference rate applied by the European Central Bank. We charge 5 EUR for payment reminders.

You can check your open invoices from [My Pages](#).

The use of Svea Ekonomi's payment methods requires an approved credit decision. When applying for a credit, the applicant gives permission to request information from other lenders on the customer credit information system of Suomen Asiakastieto Oy. We will also check the applicant's credit information. A customer, whose credit application has been rejected, has the right to apply for a new credit decision by providing additional information through contacting Svea Ekonomi's customer service.

You can also pay your invoice in smaller monthly instalments

Account credit is a one-time credit that allows you to split the invoice into smaller monthly payments in a way that is suitable for you. If you want to pay the invoice in instalments, you need to familiarize yourself with the credit account terms and conditions that have been sent to you with the invoice and approve them with your signature. After approving the terms with your signature, you can pay the minimum amount on the invoice. You can pay the remaining credit amount at any time without any additional charges for unused credit time.

You can read the terms and conditions of account credit here: [General Terms and Conditions](#) and [Standard European Consumer Credit Information](#).

PART PAYMENT

Part payment is a one-time credit, which allows you to pay for your purchase with the payment period of your choice and fixed monthly instalment. You can choose the most suitable payment plan from the options offered at the webshop.

You can check your open credits from [My Pages](#).

The use of Svea Ekonomi's payment methods requires an approved credit decision. When applying for credit, the applicant gives permission to request information from other lenders on the customer survey information system of Suomen Asiakastieto Oy. We will also check the applicant's credit information. A customer, whose credit application has been rejected, has the right to apply for a new credit decision by providing additional information through contacting Svea Ekonomi's customer service.
