Our Programs

All of what we try to accomplish is done through the following:

- **ESL and Citizenship classes** for adults (countywide)
- **Additional ESL services** for children during the summer months (for students in the School District of Lancaster)
- **Welcoming Schools Program and Cultural Navigation Services** (for all students and their families in the School District of Lancaster who are refugees, immigrants, and English Language Learners)
- **School Based Health Care Services** (for all students and their families in the School District of Lancaster)
- **Parent Workshops** for families of Reynolds Middle School Students on mindfulness, yoga, and mental health (Workshops are offered twice a month.)
- **Extended Day Programming** (for Reynolds Middle School students only)
- **Power Packs Program** (for low income Reynolds Middle School students to help their families provide nutritious meals on the weekends when the school breakfast and lunch programs are unavailable)
- **Uniform Bank** (for all Reynolds Middle School students)
- **Refugee and Immigrant Education Project** (our newest community outreach initiative)

Stay tuned for future issues where we will give you a more in-depth idea of the breadth of our services (as well as the support we will need to continue these vital programs).
