ADULT EDUCATION ADVANCE YOURSELF

Your Future. Your Career. Our Priority.

CHOOSE YOUR NEW CAREER

EMPLOYERS: **Workforce Training** is available to meet the developmental needs of your workforce. The Lancaster County CTC offers customized programs for business and industry that can be delivered at the work site or in the classroom. We work with you to provide training tailored to your specific needs.

DON'T JUST TAKE IT FROM US The Lancaster County Career & Technology Center was recently recognized by Forbes® as one of the top 30 trade schools in the country. We're 26th to be exact.

Forbes **2017** **TOP 30 TRADE SCHOOLS**

AUTOMOTIVE TECHNOLOGY*

Graduate as a certified technician, prepared to work in a car dealership or general repair shop. Students who successfully complete program requirements may participate in a 300 hour co-op experience. Earn either an **Associate in Specialized Technology** degree or a certificate. This is a daytime program.

LOCATION: Willow Street Campus

DENTAL ASSISTANT*

Learn to perform a variety of duties including taking x-rays, mixing materials, passing instruments, sterilization and reception duties, etc. Work alongside other dental professionals to ensure a high-quality of patient care is delivered to the patient. This is a daytime program.

LOCATION: Willow Street Campus

HEAVY EQUIPMENT OPERATIONS

This 10-week course provides students 100 hours of classroom instruction and 300 hours of seat time learning how to maintain and safely operate heavy equipment. This is a daytime program.

LOCATION: Brownstown Campus

HEAVY EQUIPMENT OPERATIONS/ CDL COMBO COURSE

This course provides students both the 400 hours of Heavy Equipment Operation Training along with the training for a CDL Class A license. You will begin your training in Heavy Equipment Operations and then continue onto the CDL Class A component of the course.

LOCATION: Brownstown & Mount Joy Campuses

INDUSTRIAL MECHANICAL & MAINTENANCE (MECHATRONICS)

This program offers part-time, flexible hours in the afternoon and evening. Courses focus on the skills required for those interested in industrial mechanical and maintenance, and electro-mechanical trade areas. Students earn **Advanced Manufacturing/Integrated Systems Technology (AMIST)** certificates based on successful completion of the course.

LOCATION: Mount Joy Campus

MEDICAL ASSISTANT*

Prepare for a rewarding career in healthcare. Medical assistants are multi-skilled professionals who provide administrative and clinical support alongside doctors and other clinical staff in medical offices, health centers and clinics. Earn a certified medical assistant (CMA) certification.

LOCATION: Willow Street Campus

MEDICAL CODING

This 10-month program provides instruction in medical terminology, anatomy and physiology and coding techniques (ICD 9/10, CPT-4, HCPCS). Students are trained to assist doctors and patients administratively in offices, hospitals, laboratories or other health service areas. Earn a certified professional coder (CPC) certification. This is an evening program.

LOCATION: Willow Street Campus

PRACTICAL NURSING*

Graduate prepared for an innovative and productive career as a practical nurse. Our graduates go on to gainful employment in nursing homes, hospitals, rehab facilities, schools and industry and more, or to further their education. This program is offered full-time days and part-time evenings.

LOCATION: Health Sciences Campus

PROFESSIONAL TRUCK DRIVING/ CDL LICENSE*

Our hands-on training program provides you with the experience you need to land a job in just 5 short weeks. Average entry wage salary is \$45,000 and our program offers nearly 100% job placement. We've been training professional truck drivers since 1987. Full and part-time options are available.

LOCATION: Mount Joy Campus & Chambersburg

VETERINARY TECHNOLOGY

Graduates of this 21-month program will be prepared to provide a wide range of clinical skills including animal patient care, laboratory procedures, medical imaging, anesthesia administration and monitoring, and surgical assistance for a variety of domestic animals. Graduate with an **Associate in Specialized Technology** degree. This is a daytime program.

LOCATION: Willow Street Campus

WELDING TECHNOLOGY*

Welding is one of the hottest careers around. From the tallest skyscrapers to machines and appliances that help make life easier, welders play a critical role in keeping our economy moving. Earn an **American Welding Society (AWS)** certification. This is an evening program.
