Your Future. Your Career. Our Priority.

FEWER LINES JUST AS MANY OPTIONS

LANCASTER COUNTY CTC IS A PENNDOT-APPROVED TESTING SITE.

ONLINE CLASSROOM INSTRUCTION

Lancaster County Career & Technology Center provides a Pennsylvania Department of Education approved online class and behind the wheel driver training program. Students who successfully complete the classroom instruction and behind the wheel training will receive a certificate of completion.

Check with your insurance company as many carriers offer a discount with the completion of the program.

BEHIND THE WHEEL TRAINING

Behind the wheel training consists of **six hours** of driving with an instructor in a dual controlled car. All instructors are PA certified and the instruction is scheduled on an individual basis. As an added convenience, the instructor can pick up the student at their residence. To be eligible for behind the wheel instruction, the student must be 16 years or older and have a valid learner's permit or license.

The online classroom instruction can be accessed for one year at a cost of \$80. After one year, it is an additional cost of \$8. To register visit us at lancasterctc.edu/services/driver-education-training or stop by the Lancaster County Career & Technology Center Brownstown Campus. Once payment is received, the student will be issued a username and password and **training can start immediately.**

Our Brownstown Campus is an official PennDOT Driver License Testing Center. Drivers license test is \$100, retest is \$25 if required.
