

# We're Putting the Power to Save Lives in Your Hands.

In honor of National EMS Week, we're providing **FREE** access to our CPR and AED online training course.\*

Help your neighbors become life-savers by spreading the word in your community.

**Get started today: [go.ECSInstitute.org/EMSWeek](https://go.ECSInstitute.org/EMSWeek)**

## Let's save more lives. Together.

\*Following the successful completion of the course, individuals can obtain a course completion certificate by completing an on-site skills check at participating ECSI Education Centers.
