

Fisdap CCT Exam *(Pilot Version)*

Thanks for being a part of the Critical Care Transport exam pilot testing process! Please help the Fisdap community by administering this pilot test to your students. This essential step of the process determines the validity of questions and future direction of the assessment. In its current form, the CCT exam is composed of 161 cognitive items. It should take about 2 hours to complete. Below is the macro composition of the assessment.

Topic	# items
Trauma	15
Cardiology	16
Respiratory	15
Environmental	16
Advanced Airway	18
General Medical Patient	13
OB	13
Neurology	14
Transport & Safety	11
Neonate	18
Burns	12
Total	161

Please administer the CCT exam in a **secure** and **proctored** environment. Accessing the CCT exam is the same as other exams inside of Fisdap. Any student with a Fisdap account can attempt it. Fisdap staff can generate free pilot testing accounts for students who do not currently have accounts.

Access the content:

1. Log into Fisdap
2. Go to [Learning Center](#)¹
3. Select Schedule a Secure Exam
4. Select + New Test
5. Scroll to the bottom and select CCT under Pilot Exams
6. Select Students and Save
7. Navigate to [Fisdap Pilot Testing](#)²
8. Start the Exam

We eagerly await feedback and are excited to analyze the results. Please share instructor and student feedback with us! Contact cmorley@fisdap.net for details.
