

Fisdap AMLS Exam (Pilot Version)

Thanks for being a part of the AMLS exam pilot testing process! Please help the Fisdap community by administering this pilot test to your students. This essential step of the process determines the validity of questions and future direction of the assessment. Below is the macro composition of the assessment.

Topic	# items
Respiratory	13
Cardiology	12
Neurology	11
Toxicology	9
Assessment	7
Shock	9
Abdominal	10
Endocrine & Metabolic	7
Environmental	5
Infectious Disease	6
Total	89

In its current form, the AMLS exam is composed of 89 cognitive items. It should take about 60 minutes to complete.

For now, accessing the AMLS Exam is different than other exams. It's a secure and proctored assessment but it does NOT have to be scheduled inside of Fisdap. Any student with a Fisdap account can attempt it. Fisdap staff can generate free pilot testing accounts for students who do not currently have accounts.
