

Haley D. Crum, J.D.

EXECUTIVE BIO

Overview

Haley is the Executive Vice President of FrankCrum, a company that offers professional employer services to thousands of businesses. Whether the company is large or small, FrankCrum provides payroll and tax solutions, workers' compensation insurance, employee benefits, HR support, risk management and compliance guidance and commercial insurance. Haley also leads the FrankCrum Staffing division as President, a decades-old enterprise that serves both candidates and hiring managers.

Haley earned her law degree from Stetson University College of Law and serves as in-house counsel. She is a member of the American Staffing Association, National Association of Professional Employer Organizations and Florida Association of Professional Employer Organizations.
