PLANT DISPLAYS

Make a big impact on your office

With well-presented, environmentally aware planting and colourful containers made from recycled materials, **Topstone** planters are an easy and cost-effective way of enhancing your office environment for staff and visitors alike.

HEALTHIER SPACES

Plants can help create a healthier and a more productive and creative working environment for you and your staff. We use a range of the best air-cleaning plant species, selected from the top 10 best species identified by NASA research. For more on the benefits of plants visit our website at www.benholm.com

CHOOSE FROM A WIDE SPECTRUM OF COLOURS TO MATCH YOUR DECOR.

Breathe new life into retired office equipment...

BEAUTIFUL RECYCLED RESULTS

Our new eco-container range is manufactured from retired office equipment, giving it a new, productive life and giving you a fantastic choice of container styles, sizes and colours. Our containers are tough, durable and watertight, and are perfect for a busy office environment, and all with just a 5-day manufacture time.
