Radisson Heights

1714 - 34 Street SE, Calgary AB

Habitat for Humanity Southern Alberta is excited to be building four new, affordable homes to give a hand-up to local families

Build Details:

- One fourplex for four partner families
- Three and four bedroom homes
- One full bath, one half-bath
- Open concept kitchen and living spaces
- Energy efficient to reduce costs of utilities and water
- Every dollar that can be saved on maintenance and utilities can be better directed to the necessities of our families and their children
- Built in close proximity to Sunridge Mall, Peter Lougheed Centre, schools, services and public transportation

Habitat for Humanity Southern Alberta is grateful for the support of our community partners who are dedicated to providing safe, affordable homes where local families can thrive.
