

ZERO-EFFORT LEAD RETRIEVAL

Do away with the hassle of managing lead retrieval equipment rentals — allow your exhibitors to use the mobile device they already own and the mobile event app you already have.

Plus, generate more revenue by offering the easiest lead retrieval in your exhibitor and sponsorship packages.

Capture New Revenue Streams

Make your packages even more compelling with hassle-free lead retrieval. Create packages and pricing, manage sales, and track revenue in one convenient place.

Eliminate Handling of Hardware

Eliminate the need for extra staff too. There's no need to check clunky devices in or out, so you can move your staff resources where you need them most.

Let Exhibitors and Sponsors Retrieve Their Own Leads

Exhibitors and sponsors have access to their leads at any time. Booth admins can export the leads right from their phone and upload to any CRM whenever they want.

Offer the Easiest Lead Retrieval Ever

With unlimited scanning, quick lead qualification, and the ability to measure booth staff performance—you'll offer your exhibitors and sponsors the lead retrieval they've been waiting for.
