

Communication Systems, Inc

SWLEDA-Series Large Screen Healthcare-Grade Personal Patient LED HDTV With Optional SMART Board

Improve the patient experience, satisfaction and engagement by leveraging PDi's healthcare-TOUGH televisions available in screen sizes 24", 32", 42", and 50".

These Healthcare-grade (UL AnnexQ) slim LED TV's offers the latest in flatscreen LED-backlit high resolution display technology.

Plus the TV has a USB drive port allowing patients to enjoy their own music, movies, photos and more!

Don't be fooled by it's good looks and lustrous LED display. This ingenious solution is PDi Healthcare-TOUGH! UL-listed, engineered and connected. This healthcare-grade TV boasts all the necessary features not found in consumer sets.

With pillow speaker and wireless table radio connectivity, MPEG4, available SMART Board and increased reliability for longer power-on times, your facility is sure to engage and empower patients resulting in improved patient satisfaction, all while staying within the guidelines of UL healthcare requirements.

SWLEDA: 24", 32", 42", and 50"
