 PDi Communication Systems, Inc. <i>Better Solutions Are Within Reach®</i>	MODEL NUMBER: E-Series 32" and 42" TVs	Document Number: PDTCH-108R2
	Supplied Screws	Page 2 of 2

Introduction:

The E-series 32" TV and the E-series 42" TV have blind inserts in the VESA pattern. This Technical Bulletin describes the new screws (M6 x 1 x 8mm LG) supplied with the Quick Start Guide.

NOTES:

- **These screws are only needed with E32" and E42" metal cabinet TVs.**
- **Some mounts may not require the screws depending on the thickness of the mounting plate.**
- **PDi supplied mounts will require the screws, but are also included in the wall mount kits.**
- **(4) M6 x 1 x 8mm LG will be supplied with each TV**
