

Persona P14W

14" Arm Mounted Patient Display

A personal entertainment experience designed for comfort.

Elevate Expectations

The Persona P14W arm-mounted display reduces neck, back and eye strain by provides a a high quality viewing experience in close proximity to the patient. The Persona P14W display is equipped with MPEG4 and Pro:Idiom giving access to more HD channels with DirectTV or Satellite programming. It's simple backlit touch keypad easily controls volume, channels and settings.

Superior Viewing Experience

A 14" display mounted in close proximity to the viewer is equal with a 90" TV screen across the room.

Clean Looking and Safe to Touch

The P14 is designed for infection control. The full glass front and antimicrobial plastics help limit HACs and is durable for rigorous cleaning.
