

INFORMATION TECHNOLOGY

The Santa Clarita Advantage

Santa Clarita Valley's tech firms are engaged in software publishing, telecommunications, data processing and computer design. A highly educated workforce, strong training programs and the presence of many business support organizations make the SCV a good fit for information technology firms.

Pro-Business Environment

- Employment Tax Credit*
 - No Gross Receipts Tax
 - No Business License Fee
 - No Utility User Tax*
 - No Payroll Tax*
 - No Parking Tax
- * Available in select areas

Location and Market Access

Santa Clarita was recognized as a "City of the Future" by fDi Magazine and the "Most Business-Friendly City in Los Angeles County" by the Los Angeles County Economic Development Corporation. There is abundant Class A infrastructure with modern technology that is affordable.

Skilled Labor

A talented, diverse and abundant local labor supply from high-achieving school districts and higher education providers including The Master's College, CalArts and College of the Canyons. There is an entrepreneurial environment with an innovative culture that is constantly challenging the status quo.

Master-Planned Development

Recognized by CNN Money Magazine as the "Best Place to Live in California," the SCV is home to the largest collection of master-planned business parks and residential communities in Los Angeles County. Existing, affordable office and commercial space as well as shovel-ready property to fit any size or type of enterprise.

Technical Assistance

The SCVEDC can immediately help your firm:

- Search available property
- Utilize available incentive and workforce training programs
- Access economic, demographic and real estate information
- Foster positive relationships with city, county, state and federal agencies and officials essential to the economic development process
